## New Daily Activities or Classes for Members

Starting March 1st there will be even more to do at The Third Floor! Our staff has been working hard to plan special activities just for TTF members. Every day there will be a different activity going on in addition to the usual activities. Check out the schedule for classes below. All classes are optional and FREE to Third Floor members.

Mondays: In **Kitchen Concoctions**, you will get to bake, make, or create something in one of the Community Center kitchens with Jake and Korryn. One week it might be a snack, the next a science project or a ooey-goey-messy creation. Erik will be heading up **group games and activities** every Monday as well! Some days activities might take place in the multi-purpose room, other days in the gym.

**Mondays:**

Kitchen Concoctions with Jake and Korryn  
Group Games with Erik

**Tuesdays:**

Project GEM Art Classes\*

**Wednesdays:**

New Skills with Laura and Betsy  
TAG (Trips and Activities Group)\*

**Thursdays:**

Challenge Champions with Riley and Kate

**Fridays:**

Brain Quest with Lexi

\* Led by a group outside of The Third Floor.

Tuesdays: **Project GEM** is allowing some TTF members to join in their art classes held every Tuesday from 3:45-5:45 in the Multi-Purpose room. In April there will even be the opportunity to show some of your artwork around the Community Center in a student art show. Also on Tuesdays, Laura and Betsy will teach you a **new skill**. You might learn how to be a champion cupstacker, new card games, or how to draw your favorite cartoon character. We will also be having some **Gustavus football players** and other members of the Tau Psi Omega Fraternity down at TTF to play games with, perhaps even football!

Wednesdays: **TAG** will be joining us again for some games in the Multi-Purpose room or gym and maybe a couple field trips. They are sure to be a favorite! Also on Wednesdays we have **linguistic leaders** with Claire, where the language this month is German.

Thursdays: Riley and Kate will challenge you to a new tournament each week in **challenge champions**. Tournaments could include pool, Wii Fit, or a scavenger hunt. Maybe you will become the next champion!

Fridays: Of course we have our **movie and popcorn** on Fridays where we rent a new movie just for the day and serve the best movie watching snack, popcorn. We also add in **Brain Quest** with Lexi, which will challenge your brain to think hard to answer trivia questions.

The Third Floor Homework Zone will also be open Monday-Friday from 3:30-4:30.
