### **2013 FALL YARD WASTE COLLECTION**

The City of Saint Peter will be collecting **brush and garden waste** such as tomato plants, flowers, etc. at curbside the week of September 30th. Brush and garden waste must be placed parallel and adjacent to the curb by **7:00 A.M. Monday, September 30th**. Brush or garden waste will not be collected after the week of September 30th.

**Leaves and grass clippings** will be collected **north of Broadway** starting at **7:00 A.M. Monday, October 21st** and **south of Broadway** at **7:00 A.M. Monday, November 4th**.

The collection process is accomplished by one person driving the vacuum truck with another person walking behind using a hose to collect the leaves and grass clippings. For this reason, please do not include animal wastes with the leaves, as the person using the hose gets covered with a fine dust of whatever is in the leaves.

Leaves must be placed parallel and adjacent to the curb (**do not put it on the street or in bags**).

The collection process is quite lengthy (5 weeks for the whole town in 2012) which may necessitate starting the collection before all the leaves have fallen. The street sweeper then goes behind the leaf collectors so streets are cleaned before the snow comes. Collection dates for the areas north and south of Broadway are rotated each year.

If you live on a corner lot it is possible that one side will be picked up before the other as the trucks run north to south and then east to west to be more efficient in the collection process. (Suggestion: Place all leaves on the north-south street if you want all your leaves picked up at the same time.)

We will only go through an area once; so if your yard waste is not out by the dates and times mentioned above it will not be picked up but can be taken to the drop-off site.

To help us serve you better, please do not park in front of the yard waste until pick-up is complete.

**Drop-off Site Open 24 Hours A Day, 7 Days A Week** - The brush and soft yard waste drop-off sites located across the street from the Department of Public Works facility, 405 West St. Julien Street, at the southwest intersection of St. Julien and Swift Streets, are open year around for your convenience in dropping off brush and soft yard waste.

This service is provided and funded by the Environmental Service Fee on your utility bill.
