

St. Peter Area Food Shelf March Drive

All donations (monetary and non-perishable items) earn SPAF credits during Minnesota Food Share Month to use for purchasing food from Second Harvest throughout the year. This is our most important month for donations and area residents have been very generous during past March campaigns. Please help us continue this tradition! We will also receive a challenge grant from the Feinstein Foundation based on our March (and April) collection totals. Non-perishable food and personal care items will be collected at various businesses, area churches and through community organizations' drives and events. Monetary donations are greatly appreciated and may be sent to our NEW LOCATION: St. Peter Area Food Shelf, 229 W. Broadway, St. Peter MN 56082

Thank you for helping us support friends and neighbors in our community!
