Rain Barrel Benefits

Rainwater is great for gardens, houseplants, auto cleaning, window washing, and many other household chores; they provide a source of water during droughts; they save you money by lowering your water bill and they reduce stress on the municipal storm drain and sewer systems.

Rebate forms will be filled out at time of purchase. Utility personnel will pick up rebates and submit to the City Finance for reimbursement on your utility bill. Limit two per household. Rebate available to the first 100 qualified rain barrel purchases.

If your neighborhood has an association, please check current bylaws to determine eligibility.

Rebates are received in the form of a utility rebate credit.
