Changes are coming to the Saint Peter Transit Route on April 14, 2014.

Beginning on April 14th the route bus will no longer be stopping each hour at the following stops: Kwik Trip, Nicollet County Bank, Holiday Station, Sunnyvale Apartments (1615 N. 5th Street), and Sunrise Meadows. These changes will allow time for the route bus to “deviate” from the route as much as two blocks. Passengers who were using the above stops may now call 934-6070 and arrange for the route bus to stop at those locations on an as needed basis. Additionally, any passenger that is within two blocks of the route may call the same number for an off the route pick-up and/or drop off. Any rides on the route bus, whether deviated or using fixed stops, will be at the route bus fare. The route driver will pick up as many off route passengers as possible while maintaining the schedule. If you have any questions please call Transit Coordinator, Wayne Albers, at 934-0668.
