The **mission** of the skating rinks and warming house is to be a safe place for area community members to gather. We expect that patrons that use the facility understand the need for a safe and positive environment.

**DISCIPLINE POLICY**  
**Recreation Department:**

- In most cases an initial warning will be issued to explain what rule is being violated. If the offense is serious, the warning may be bypassed and the consequence may lead to direct suspension.
- For repeat offense, the patron will be asked to leave for the remainder of the day. Depending on the outcome, the suspension may be longer than the day.
- More serious behavior or continued offenses over time will warrant suspension greater than one day. When this happens, if it involves a child, the parent(s)/guardian will be contacted and a meeting arranged between the child, parent(s)/guardian and Recreation Staff to explain the suspension and discuss the terms of returning to the rink.
- Returning to the rinks during suspension may result in arrest for trespassing.
