

Attention all Skaters

Rink/Warming House Rules

- ❖ Respect for all skaters and property is expected.
- ❖ Respectful language is required.
- ❖ A smoke-free environment both on and off the rinks will be maintained.
- ❖ Rinks may close early due to lack of skaters.

During extreme cold weather, outdoor activities are not recommended.

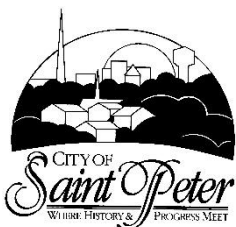

The warming house will be closed when:

- ❖ Air temperature is -15°F or below
- ❖ Wind chill is -20°F or below.

The rinks will be closed when:

- ❖ More than 1" of snow accumulates on the ice when maintenance crews are not available.
- ❖ There are temperatures that soften the ice and make the rinks unsafe for skating.

For up-to-date closures and information, call the Rec Hotline at 934-0070.

Questions? Please ask the warming house attendant or call the Recreation Office at 934-0667.
