Song: "The Puppy Pokey"

You put your small paw in, you put your small paw out.
You put your small paw in, and you shake it all about.
You do the Puppy Pokey, and you turn yourself around. That's what it's all about.

You put your cold nose in, you put your cold nose out.
You put your cold nose in, and you snuffle all about.....
You put your floppy ears in, you put your floppy ears out.
You put your floppy ears in, and you shake them all about....
You put your wagging tail in, you put your wagging tail out
You put your wagging tail in, and you shake it all about.....
You put your puppy self in, you put your puppy self out.
You put your puppy self in, and you shake it all about.....
You do the Puppy Pokey, and you turn

Early Literacy Tip of the Week:

Read in Front of your children – If parents “practice what they preach” about the importance of reading, it sends a loud and clear message to their kids that reading is, in fact, valuable.
