Dear ,

2022 marks year 14 of Night to Unite in our community. This event is about getting neighbors together and build our report with first responders. We are very fortunate to have River's Edge Hospital as our Presenting Sponsor for the past 6 years. We are looking for other sponsors to participate in the events as well. A list of ways you can participate are stated below.

1. Monetary donation of \$50-100
2. Have a booth at Summer Kickoff to promote your organization
3. Provide an in-kind donation of your choosing - each family that comes receives a SWAG bag full of coupons, information flyers and goodies as well as being entered in the drawing for grand prizes

Events you can participate in are: please check the box or boxes that interest you

- Monday, June 6 – Summer Kickoff**
- Tuesday, August 2 – Night to Unite in your Neighborhood**
- Friday, August 19 – Pool Party**
