SAINT PETER AREA ROBOTICS
FALL INFORMATIONAL MEETING
Thursday, August 11th at 6:30 p.m.
Saint Peter Community Center Room 219 (Senior Center)

Saint Peter Area Robotics is organizing teams for our upcoming robotics season. We have programs for grades K-12. If your student is interested in being part of a FIRST Lego League team (fall, grades K-8), FIRST Tech Challenge team (fall, grades 7-12), or FIRST Robotics Competition team (winter/spring, grades 9-12), please bring them to this informational meeting. More details about the teams and programs will be presented at the meeting. Participants can register at the meeting or online. Find more information about Saint Peter Area Robotics and join a team at www.saintpeterrobotics.org

2021 CONSUMER CONFIDENCE REPORT
The United States Environmental Protection Agency (EPA) under the Consumer Confidence Rule requires public water suppliers to send out information about the water quality which is made available to the public. Saint Peter does this annually through the Consumer Confidence Report (CCR). The CCR summarizes information regarding sources used (i.e., rivers, or aquifers) and of any detected contaminates, compliance and educational materials. The Saint Peter Water Utility 2021 CCR is available to its customers for viewing or downloading at http://www.saintpetermn.gov/289/Water. A paper copy can be mailed to you upon request by calling Public Works at 507-934-0670.

2022 RAIN BARREL REBATES

Beginning May 15 – July 15, City utility customers may purchase a 45-gallon or 50-gallon rain barrel from Arrow Hardware. At the time of purchase, a rebate form will be filled out at the store and the form will be provided to the City Finance Office for processing. Purchasing one of the qualifying barrels entitles the utility customer to receive a $25 rebate on their utility bill. Rebates are available to the first 50 qualified purchasers and there is a limit of two rebates per household.

Why Rain Barrels?

• Rainwater is great for gardens, houseplants, auto cleaning, window washing, and other household chores.
• Store water away for a sunny day.
• Stop stormwater from polluting neighboring waters by keeping it where it falls.
• Recycling rainwater reduces your personal energy consumption by using less treated water.
• Reduce erosion and increase water quality.
• It reduces stress on the municipal storm drain and sewer systems.

It's that easy to have a positive impact on the environment.

Participating Business: Arrow Hardware & Paint
ST. PETER ALL SCHOOL REUNION
 takes place on July 2, 2022 at the
 First National Bank parking lot at 226 W. Nassau St. in St. Peter
 Starting 4 p.m. to 11 p.m. with Live Music & DJ
 Lions Club serving Beer and Wine and Food Vendors

CAT LICENSES PAST DUE

Cat licenses were due on or before April 30th. In order to comply with the City Ordinance a cat license must be purchased. **Failure to license your cat may result in a citation from the St. Peter Police Department.**

An up-to-date rabies certificate must be provided in order to obtain a license. If you do not have a copy, contact your vet office and have them fax or email a copy to our office.  
**Fax: 507-934-4917 or email: cindym@saintpetermn.gov**

**Fees:**  
Spayed/Neutered $10  Unaltered $30

**Options To Purchase License:**  1) Place updated rabies certificate & payment in an envelope and place it in the drop box by the flag pole outside of City Hall and a license will be mailed to you.  2) Mail the updated rabies certificate and payment to: 227 South Front Street. A license will be mailed to you.  3) Stop in the Community Development Office and purchase (227 South Front Street).

DOG WASTE PICKUP - Pollution from pet waste provides a very serious threat to the environment. According to **Saint Peter City Code, Chapter 8, Section 8-80**, pet owners are required to pick up their dog’s waste.  
**Please be a responsible pet owner and a good neighbor.**

PETS AND PARKS – Saint Peter City Code (Chapter 8/Article II/Division 3/Sec. 8-83) states that pets are not allowed on the grounds of any City Park or playground unless the park is designated by resolution of the City Council as allowing pets. Areas where pets are allowed include: Riverside Park, Riverside Park Extension, Traverse des Sioux Park, McGill Nature Park, Hallett’s Pond (on the trail only), Public Conservancy Area in Nicollet Meadows 2 Subdivision (directly west of Jefferson Park), and the two designated dog parks.

While dogs are allowed in these specific parks, the dogs must be leashed and under control of the owner, vaccinated, licensed and the owners must abide by all other animal control regulations.
