

2020 LEAVES & GRASS CLIPPINGS FALL COLLECTION

Leaves and grass clippings - south of Broadway - Have out by 7:00 a.m. Monday, October 19th
Leaves and grass clippings - north of Broadway - Have out by 7:00 a.m. Monday, November 2nd

Tips to facilitate and speed up the leaf collection process:

1. Place leaves parallel and adjacent to the curb on the lawn (within six-feet (6') of the curb line)
2. Please do not put leaves in the street, on a tarp, cover with tarp, or put in bags
3. Please do not include grass clippings with the leaves
4. Please do not include animal waste with the leaves
5. Please help us serve you better by placing brush and leaves away from curbies, light poles, mailboxes, signs, trees, posts, utility boxes/pedestals, etc.
6. Please do not park on the street in front of the yard waste until pick-up is complete. If possible, allow fifty feet (50') either side of the pile so the tractor pulling a trailer with vacuum hose has enough room to collect the material.
7. If you live on a dead-end street, place material on the curb in front of the house, not on the dead-end
8. If you live on a corner lot it is possible that one side will be picked up before the other as the trucks run north to south and then east to west to be more efficient in the collection process. (Suggestion: Place all leaves on the same side of the street if you want all your leaves picked up at the same time.)

Please share this information with your yard service company.

The collection process is quite lengthy, (it took over 5 weeks in 2019), and in order to complete the process before it snows, crews sometimes have to start the collection before all the leaves have fallen. Collection dates for the areas north and south of Broadway are rotated each year.

Should you miss the collection dates, yard waste can be taken to the City's yard waste drop-off site. Snow may end the process prematurely but leaves, brush, and garden waste can be taken to the drop-off site anytime.

Drop-off Site Open 24 Hours A Day, 7 Days A Week - The brush and soft yard waste drop-off site located at 1128 North Swift Street, (southwest intersection of St. Julien and Swift Streets) with access off West Swift Street is open year round for your convenience in dropping off brush and soft yard waste. Brush and tree trimmings need to be cut shorter than 6 feet. **Separate bunker now provided for dropping off fill (rocks, dirt, etc.).**

This service is provided and funded by the Environmental Service Fee on your utility bill.

League of Women Voters, St. Peter Area, The St. Peter Herald and the St. Peter Chamber of Commerce will host **Senate District 19 and 19-A Candidate Forum** on October 1st, 7 p.m. It will be recorded without an audience and aired on SPPA TV and available for view on the City of Saint Peter [YouTube Channel](#). Check news media for updates. All candidates have been invited. If you have any questions or want to find out more about the League of Women Voters, please email lwvstpeter@lwvmn.org. Please vote!

FALL HYDRANT FLUSHING – OCTOBER 5th – 16th

The City of Saint Peter, Department of Public Works, Water Utility will begin fall hydrant flushing and flow testing between 8:00 p.m. and 6:00 a.m. on Monday, October 5th, and continue until all hydrants are flushed - approximately October 16th. ***This process could make water cloudy temporarily.***

Please check your water before doing laundry.

Fall Music Program - Woody Guthrie's Pastures of Plenty in His Own Words and Songs

This presentation will include some of Woody Guthrie's best-loved songs, and also some of his best least-known material! Supplemented with short readings from Woody's own prose works, audiences will find a new appreciation for the great American balladeer.

Charlie Maguire, Singer and songwriter

Thurs., Oct. 29, 2 p.m., SPCC Rm. 219, Free. But must register with the Recreation Department 934-0667.

2020 “Be Bright” ENERGY STAR LED Campaign Dates
October 1 - December 31 in member communities, while supplies last.
