

## Vendor Information

In 2019 we started to open up a new option for local businesses or organizations to participate in Night to Unite in a way that was more suitable for them instead of just supplying money as a sponsor for the event.

### Being a vendor is simple:

- ❖ Contact Kayla at the Recreation Department letting her know you're interested – [kaylac@saintpetermn.gov](mailto:kaylac@saintpetermn.gov)
- ❖ Promote your organization – with flyers, signs, activities or SWAG!
- ❖ Show up to the event!

### What we provide:

- ❖ A table
- ❖ 2 chairs

### What you cannot do:

- ❖ Sell anything! Especially food.
- ❖ This is strictly for promotion of your business or organization.

We only allow 12 vendors each year. Once we reach our 12, we can add you to the waiting list in case someone is to drop out. If you just missed out, you can get in for next year or promote your business or organization in our family SWAG bags that we give out to each family that registers.

### This year's event is:

- ❖ Monday, June 5, 2023
- ❖ 5-7:30p.m.
- ❖ Gorman Park

Thank you,  
Special Events Committee
